CO-ED SOFTBALL AND VOLLEYBALL LEAGUE**

General Information

Our recreational co-ed softball and volleyball leagues are an amiable, after-work amenity open exclusively to all Princeton Forrestal Center business resident employees. All inquiries about the league should be by email and directed to princetonforrestalleague@gmail.com Here are the pertinent details:

- In late February/early March all corporate tenants will receive a general email inviting them to reserve a place in the league by completing a roster and submitting it to the League Manager
- The season begins around the first week of May and concludes with playoffs/championships in late August/early September.
- Games are scheduled on our recreational facilities located at Research Way and Schalks Crossing Road.
- Games are scheduled Monday – Friday 6:00 p.m. and the day of the week will vary.
- Due to the popularity of the leagues and limited field/court use, participation is limited to ONE team per company for each sport. Participants can play for ONE team only per sport as well. Teams are added on a first-come first-serve basis.
- The league is single–elimination playoff format with a championship game. A plaque is awarded to the first place team in each division.
